

Legend

- Town
- Dam or weir
- Road
- Watercourse
- Maritime Safety Qld port limits
- Environmental value boundary
- Local government boundary
- Indicative reef boundary
- Boundary of the waters covered by the scheduling document
- Management intent
- High ecological value (HEV) waters
- Slightly disturbed (SD) waters
- Waters in the scheduled area that are not shown as high ecological value, slightly disturbed or highly disturbed waters have an aquatic ecosystem environmental value of moderately disturbed

Water Types - Fresh waters

- Fresh waters
- Wetlands (palustrine)
- Dune lakes
- Middle estuary
- Lower estuary / Enclosed coastal waters
- Open coastal waters
- Melaleuc
- Offshore

Water Types - Marine / estuarine waters

- Wetlands (palustrine)
- Dune lakes
- Middle estuary
- Lower estuary / Enclosed coastal waters
- Open coastal waters
- Melaleuc
- Offshore

Key to Environmental Values

- Aquatic Ecosystems
- Irrigation
- Farm Supply
- Stock Water
- Amphibians
- Human Consumer
- Primary Recreation
- Visual Recreation
- Drinking Water
- Industrial Use
- Cultural & Spiritual Values

Notes:

- Plan refers to Queensland waters. Roads and other infrastructure are exempt.
- For waters in undeveloped reaches not shown as high ecological value or slightly disturbed, where waters are in unmodified or minimally disturbed condition, the intent is to at least maintain existing water quality (refer accompanying schedule document). For waters in developed reaches the intent is to achieve the specified water quality objectives (moderately disturbed).
- Management intent for Dune lakes is to maintain natural condition (HEV).
- HEV waters exclude immediate port areas.
- Wetlands shown on this map are sourced from the Queensland Wetland Data Version 5.0 developed by the Queensland Wetlands Program. Refer to the Wetlands website (wetlands.info.qld.gov.au) for the most current information on Queensland wetlands.
- Reference should be made to Matters of State Environmental Significance (MSES) datasets for a full coverage of MSES wetlands, available at: <https://iqdspatial.information.qld.gov.au>.
