

Great Barrier Reef (GBR) river catchments subject to the Map of Great Barrier Reef Wetland Protection Areas

- Major towns
- Major Roads
- Catchment boundaries
- Selected GBR Catchments where the Map of Great Barrier Reef Wetland Protection Areas applies.

Note: This map shows Great Barrier Reef Catchments that apply to the Map of Great Barrier Reef Wetland Protection Areas. Wetland protection areas under State Code 9 of the State Development Assessment Provisions are shown on the Map of Great Barrier Reef Wetland Protection Areas, as defined in the Environmental Protection Regulation 2019. The Map of Great Barrier Reef Wetland Protection Areas can be obtained at an allotment scale from www.des.qld.gov.au
