BRISBANE, QLD, 4000

Your reference : UWIR- ATP1103

Our reference : 46622

Attention: Ms Kavita Prasad

Dear Ms Prasad

Re: Chief Executive required amendment under section 393 and approval of an underground water impact report for ATP1103

The delegate of the chief executive decided to require amendments to the approved underground water impact report (UWIR) for ATP1103.

The amendments are detailed in Attachment A – Notice of Proposed Amendment dated 9 October 2014. The department did not receive any submissions on the proposed amendment and the requested amended UWIR was submitted to the department on 7 November 2014.

The delegate of the chief executive has decided to approve the UWIR submitted to the department on 7 November 2014.

The UWIR takes effect on **9 December 2015**.

The anniversary day of the UWIR remains the 6 March.

Decision to approve with conditions an underground water impact report

Our reference : 46623

Attention: Kavita Prasad

Dear Ms Prasad

Re: Notice of proposed amendment

Pursuant to s. 393 of the *Water Act 2000*, the chief executive considers that your approved underground water impact report requires amendment as the report is no longer appropriate because there has been a material change in circumstances.

The chief executive proposes to amend the approved underground water impact report by requiring Arrow Energy Pty Ltd to update the report's water monitoring strategy to reflect the proposed changes as outlined in your Annual Review, which was submitted to the department on 3 April 2014. The chief executive requires Arrow Energy Pty Ltd to provide this to the chief executive by **17 November 2014**.

If you believe that the approved report should not be amended, you must make a submission by **7 November 2014** as to why the report should not be amended. The submission should be sent to:

Permit and Licensing Management
Implementation and Support Unit
Department of Environment and Heritage Protection
GPO Box 2454
Brisbane QLD 400
