<p>Notes</p> <ol style="list-style-type: none"> The information provided on this plan is available on Queensland Globe. The GIS datasets are available for download on the Queensland Spatial Catalogue. Plan refers to Queensland waters. Roads and other infrastructure are exempt. Environmental Values and Water Quality Objectives for all constructed lakes are listed in the accompanying schedule document. Culturally significant waters include all watercourses and waterholes associated with the waterway. These sites are mapped with assistance from First Nations people. Reference should be made to the Queensland Wetlands Program. The WetlandInfo website provides a full coverage of wetlands. Reference should be made to Matters of State Environmental Significance (MSES). Water use restrictions apply in or near SEQwater storages (dams, weirs), as advised on the SEQwater website. Refer to council websites for facilities managed by councils. <p>Disclaimer: Whilst every care is taken to ensure the accuracy of this product, the Department of Environment and Science makes no representations or warranties about its accuracy, reliability, completeness or suitability for any particular purpose and disclaims all responsibility and all liability (including without limitation, liability in negligence) for all expenses, losses, damages (including indirect or consequential damage) and costs, which might be incurred as a consequence of reliance on the product, or as a result of the product being inaccurate or incomplete in any way and for any reason.
