Attention: Ben Hamilton

Dear Sir/Madam

**Re: Notice of approval of underground water impact report**

The chief executive received the underground water impact report described below.

### 1. Report details

Date underground water impact report received: 26 April 2023

In relation to: PL98

### 2. Decision

The chief executive has approved the underground water impact report with conditions. Please find attached the conditions of approval (Attachment A). The approved report takes effect on 19 July 2023.

### 3. Public notice

As per section 386 of the *Water Act 2000*, within 10 business days after receiving this notice of approval, you must:

- publish a notice about the approval on your website that states that copies of the approved report may be obtained from you and how the copies may be obtained; and
- give a copy of this notice of approval to each bore owner of a water bore within the area to which the report relates.

Within 15 business days after receiving this notice of approval, you must advise the chief executive that you have complied with the requirements outlined above.

---

<sup>1</sup> The Department of Environment and Science is the chief executive for Chapter 3 of the *Water Act 2000*.

---

## Notice of approval of underground water impact report

---

### 4. Penalties

### Attachments

Attachment A - Conditions of approval

**Attachment A - Conditions of approval****Annual Review**

- (1) The responsible entity must submit to the chief executive a summary of the annual review required under section 376(1)(e)(ii) of the *Water Act 2000*, within 20 business days after each anniversary day, or another date agreed to in writing by the chief executive. The annual review must provide an analysis and a statement of whether there has been a material change in the information or predictions used to determine the areas included in the UWIR in accordance with sections 376(1)(b)(iv) and (v) of the *Water Act 2000*.
- (2) The annual review submitted in accordance with Condition (1) must include an analysis of water levels in the target formation from the commencement of the resource activity for all production wells in PL98.

**Monitoring**

- (3) All monitoring required of the responsible entity under the UWIR must be undertaken by a suitably qualified person.
- (4) All laboratory analyses and tests of monitoring undertaken under the UWIR must be carried out by a laboratory that has NATA accreditation for such analyses and tests.
- (5) Notwithstanding condition (3), where there are no laboratories that have NATA accreditation for a specific analyte or substance, then duplicate samples must be sent to at least two separate laboratories for independent testing or evaluation.
- (6) The methods of groundwater sampling required by the UWIR must comply with the latest edition of the Queensland Monitoring and Sampling Manual, AS/NZS 5667:11 1998 Water Sampling Guidelines – Part 11 Guidance on sampling groundwater, and the Australian Government’s Groundwater Sampling and Analysis – A Field Guide (2009:27 GeoCat #6890.1) as relevant as may change from time to time.

**Obligations**

- (7) By 1 November 2023, the responsible entity must compile a register, in a format specified by the administering authority, that includes all obligations of the responsible entity stipulated in the UWIR.
- (8) At all times, the register in Condition (7) must be maintained with the status of current progress on each of the obligations listed in the register.
- (9) The register in Conditions (7) & (8) must be:
  - (a) provided to the administering authority upon request, within the timeframe specified in the request; and
  - (b) updated as requested by administering authority, within the timeframe specified in the request.
- (10) The annual review submitted in accordance with Condition (1) must identify any non-compliances with the obligations specified in Condition (7).

**DEFINITIONS**

**Administering authority** means the Department of Environment and Science, or its predecessors or successors.

**Anniversary day** means each anniversary of the day the first UWIR took effect – 14 November.
